4. **Mobile Convenience Store:**

Brian advised we had received information from a Mr. Robin Mann who is currently setting up a mobile convenience store in South Somerset and enquired whether our village could benefit from this service on a twice weekly basis.

No one present had any objection to this proposal but thought it would be beneficial if the vendor circulated business cards around the village to assess whether it would be worth his while to include Stocklinch on this round. Ursula said she would respond to his request and express these views.

Meeting adjourned 8.15 p.m.
